## **MEDIA RELEASE**

### **Statement on Emergency Evacuation of Crows Nest Aged Care Service**

Infinite Care confirms that it is currently assisting Churches of Christ in the shelter of a number of vulnerable residents. There was concern that the Crows Nest Aged Care Service may be further impacted during the evening by the threatening fires that are currently burning in the Ravensbourne and Crows Nest region.

The Infinite team are working very closely with the Churches of Christ emergency response team to ensure the safety and seamless transition of care for residents. At this time all staff and residents are safe and well and are being provided ongoing care and emotional support. The safety of all residents and staff is foremost in the emergency response that is underway at this time.

The confidentiality, privacy and security requirements for all residents will remain paramount and the company will not be commenting further on the emergency response or any residents at this time. Senior members of Infinite's management team will continue to work very closely with all emergency response teams to ensure the ongoing safety, comfort and high levels of care for all residents in need in the coming days.

Infinite Care offers our thoughts and prayers to all those in the community facing these terrible fires and our sincere thanks to the brave firefighters for risking their lives to battle the elements.
