IPSWICH

Infinite Care Ipswich is a 96-bed aged care facility located in the heart of the Ipswich CBD. Originally an international hotel, this newly refurbished seven-level premium residential offering will provide permanent and respite accommodation to elderly residents from in and around the area. Situated close to the Ipswich Hospital, Civic Centre, adjoining park and nearby retail precinct this location will place residents right in the heart of the action if they so choose.

An idyllic home setting

With elevated views to the north and south of the region, each residential level will include comfortable sitting and dining areas so you can enjoy a cosy feeling of home.

This modern facility is designed over seven levels and includes a restaurant, cafe and bar, shared wellness centre, theatre room, function room and administration centre. Security and technology is a design feature, including WiFi throughout and video cameras installed for internal and external security.

Infinite Care Ipswich offers a comfortable homely environment for you with brand new ensuited single and couple bedrooms, featuring designer inspired soft furnishings and a modern colour scheme. Great care has been taken to ensure each room feels warm and comfortable and meets all the requirements of a modern aged care facility within a friendly, relaxed and homely atmosphere.

OUR PHILOSOPHY

We believe that people matter

This has been our philosophy during our history of delivering quality residential care to ageing Australians. We wholeheartedly believe our residents matter and our team matter too.

Infinite Care is proud to be an inclusive organisation that openly welcomes all people, regardless of ethnicity, culture, gender, identity, sexual preference or disability.

Infinite is a national organisation and has a wealth of experience in providing care to the aged. Our care model is focused on enhancing your daily experience and enabling you to continue to live your best life.

Infinite Care has implemented an evidence-based Wellness Model based on a resident-centred enablement approach across all facilities. We achieve this by encouraging active resident participation through the assessment, care planning, review and case management stages promoting independence. This supports you to:

- Live productively;
- Have purpose to be healthy; and
- Stay connected

We take an innovative approach to aged care, providing you with modern and tailored care solutions to satisfy all facets of your daily life.

“ I am very happy at Infinite Care. I enjoy spending time in my room watching old movies on my laptop like ‘Dad’s Army’ and keeping updated with my banking so I regularly go online to do so.

I love it when my wife Claire comes to visit. On nice days we go outside together to sit in the sunshine. I also enjoy many of the lifestyle activities, like music and movement, concerts and the scenic drives. I also enjoy a chat with the staff and other residents.”

- Bill

GENUINE CARE

We operate as one big happy family who genuinely care about the happiness and wellbeing of our residents and each other. Our relationships are respectful, filled with care, fun and laughter.

We ensure you are at the forefront of every decision we make.

Our Wellness Model

To implement our Wellness Model, our staff demeanour and customer service approach supports independence and enablement, working with you and your family to provide a home-like and positive environment that promotes self-sufficiency.

Our Wellness Model focuses on your individual journey with a designated Case Manager who works in partnership with you or your family, representative and medical/ specialist stakeholders to identify your changing needs and your personal outcomes.

The result of the partnership approach is a holistic health and wellbeing care plan being co-created and focusing on the core outcome domains of My Health, My Wellbeing, My Mobility, My Community and My Nutrition. The care plan and its achievement is reviewed every four months or when your needs change (eg: returning from hospital).

Infinite Care only employ people who firmly believe it is a privilege to work with the elderly. Our staff and volunteers build beautiful and unique relationships with our residents where they foster genuine trust and care for each other. Our staff cherish being part of your life, hearing your unique stories and helping you enjoy every day in your home.

Catering for all levels of support

We offer a range of care and services that are individually tailored to meet your individual needs. Whether you require minimal assistance or 24 hour nursing care, we are equipped to provide the right level of care and support now, and as your needs change.

PURPOSEFUL DAYS

Fill your days with Infinite opportunity

Whether your ideal day includes pottering around in the garden, sitting with a friend and cup of tea, quiet time in your room watching a favourite show, being creative through art and craft or staying active through games and exercise classes, we have something for everyone.

Our daily calendar focuses on all aspects of wellbeing, assisting you to continue to stay healthy, active and connected within your home, with your friends, family and your community.

“ My Dad became a resident at Infinite Care last year and while it took him a while to settle in, he now loves it. He goes on bus trips, gets his hair cut and has made some good friends as well. The food is good and he has gained weight since being there. I have not seen him this good in a few years. The staff are lovely, friendly people and they always make visitors feel welcome. Most of all he hasn't had to worry about anything as it is all done for him. It's brought such peace of mind for the family.”

- Debbie

A place to call home

Our homes exude a warm, welcoming and friendly atmosphere. All residents, staff, volunteers, family, visitors and even visiting pets all help to create an environment that is full of friendship, laughter and calm energy.

A common concern for people entering residential care for the first time is that life as they know it will end. Life doesn't stop in our community... it's enhanced! We help you to set new goals and new daily routines to create a fulfilling and meaningful new chapter in your life.

FAQ'S

What's the next step?

Once you and your family have decided it may be time to enter aged care, the chances are you have questions on where to even start the process. We've put together a step by step guide on what you should do from here. This can be found in more detail on our website: www.infin8care.com.au/5-steps-entering-aged-care/

1. Arrange an Aged Care Assessment through My Aged Care.
2. Request a tour of the homes you like the look of. Consider requesting a respite stay so you are able to get a feel for the facility.
3. Seek financial advice from your Accountant or Financial Planner and arrange an Income and Assets Assessment.
4. Fill out an application to enter the facility of your choice.
5. Meet with our Admissions team to finalise arrangements and have any questions answered.

What is a RAD?

RAD stands for a Refundable Accommodation Deposit. A RAD works like an interest-free loan to an aged care home and is a good option if you need to pay for the full cost of your accommodation and make your payment as a lump sum.

The balance of the deposit is refunded (to you or your estate) when you leave the aged care home, less any amounts agreed to be taken out. Any deductions, such as extra services or care fees, must first have been agreed with you in writing and listed in the resident or accommodation agreement.

RAD's are not included in Centrelink or DVA Pension Assets Tests. Daily Payments calculated on the total Accommodation Payment are payable from the date of entry on any part of the Accommodation Payment that has not been paid as a RAD.

What is a DAP?

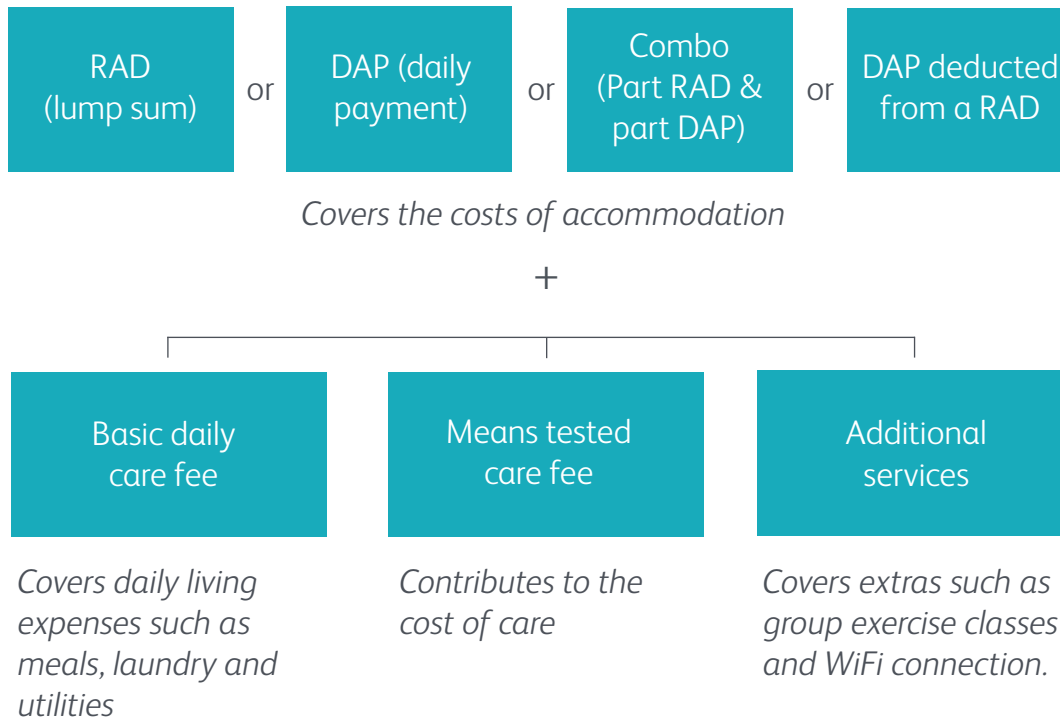

DAP stands for Daily Accommodation Payment. The DAP is interest payable, at a rate set by the Australian Federal Government, on the balance of any unpaid Refundable Accommodation Deposit (RAD) amount. If you choose to pay for your accommodation using a DAP you may choose to pay part or all of the balance of your RAD as a lump sum at any future time.

DAP's unless you have paid in advance, are not refundable if you leave the aged care home.

We recommend you speak with your financial advisors as to whether it is best to pay for your accommodation by RAD, DAP or a combination of the two.

FAQ'S

What will I pay to enter residential aged care?

How can I work out how much my care will cost me?

Our Admissions team are always happy to help you work out your best option when it comes to affording your accommodation and care. We also offer online calculators on our website for each location. These are very easy to use so you can work out what your approximate daily fee will be - <https://www.infin8care.com.au/calculator/>.

The website for My Aged Care helps explain the breakdown of costs associated with aged care <https://www.myagedcare.gov.au/aged-care-homes/working-out-the-costs>.

What are 'additional' or 'extra' services'?

Additional services are extra options offered to you at a fee. These include private consultations with our allied health providers (Physiotherapist, Occupational Therapist), group exercise classes (yoga, tai chi, meditation etc), wax hand therapy, hire of iPads, access to smart TV with Netflix and more.

FAQ'S

What is the Charter of Aged Care Rights?

On 1 of July 2019 the Australian Government introduced a new and simpler Charter of Aged Care Rights (the Charter). The Charter is designed to make it easier for older people receiving aged care services, their families and carers to understand what they can expect from an aged care service provider. The Charter places the consumer at the centre of their care by giving them choice and recognising their right to be treated with respect. It acknowledges that identity, culture and diversity are to be valued and supported. These changes also support aged care service providers in delivering care to consumers and provides protection for the aged care workforce. For more information please visit <https://agedcare.health.gov.au/quality/single-charter-of-aged-care-rights>

Can I bring items from home?

Definitely. We encourage you to make your room your own and we love you bringing in anything that will make you feel more at home including photos, trinkets and ornaments, blankets, linen and small items of furniture. If you bring in electrical items they must be tested and tagged for your own safety.

How can I keep in touch with my family and friends?

We have several ways you can keep in touch with your loved ones. Each room has its own phone, but we also offer iPads with Skype or FaceTime (small fee applies) so you can see and speak to your loved ones on the screen. We also have an online messaging system so your loved ones can send you a message and/or photos that are then printed by staff and brought to you to read and enjoy. Just like an email.

What types of rooms do you have?

We offer single rooms and companion rooms. All rooms have ensuites and elevated views across the city.

We are passionate about keeping couples together as they enter aged care and our companion rooms are ideal for this purpose.

Can I bring my pet?

We are animal lovers and we love meeting your pets. We always welcome pets coming to visit our homes, however due to hygiene issues we are unfortunately unable to house them on site on a permanent basis.

FAQ'S

What lifestyle and wellbeing activities do you offer?

Our dedicated teams organise a range of fun activities each month to enhance your wellbeing. The jam packed calendars are released towards the end of the month before and are visible in many locations so you are assured of not missing out. There is something fun happening every day in our homes and the activities are carefully chosen to suit all tastes and interests. Outings include restaurant lunches, visits to the beach, taxi rides to mystery locations to get out and about.

Our regular in-home activities include bingo, balloon tennis, indoor bowls and golf, jeopardy, themed dancing, crafts, karaoke, quots, visits from Bunnings and so much more. And if there is something you enjoy doing that isn't on our calendar we will do our best to add it and can cater to individual needs and requirements. Our calendar is constantly evolving and there is never a dull moment to ensure you are having fun and living meaningful and purposeful days in this new chapter of your life.

Regularly we have entertainers attend our facilities including magicians, dancers and singers. Some of our facilities have local primary school students attend to help with activities or simply read to the residents. This is such a highlight for everyone involved.

FAQ'S

What about the food?

All our meals are freshly cooked on site each day. Our team is lead by our fully qualified Chef. We source fresh local ingredients and base our meals on good old-fashioned home-style cooking that aims to please all tastebuds. Each month we hold a Resident and Relative meeting at each facility and often the topic of discussion is the next seasonal menu. We rely on feedback and suggestions made at these meetings before we put our next menu together and then enlist the expertise of a Dietitian/Nutritionist to ensure a healthy balance of nutritional needs. The menu is then made available in advance so you are aware of what you have to look forward to.

What if I have specific requirements?

We cater to all allergies, texture modification and other requirements, and carefully customise our menu to provide a balanced diet to suit all tastes, intolerances and textures.

Sample of our daily menu:

Breakfast	Morning Tea	Lunch
<ul style="list-style-type: none"> • Cereal or porridge • Bacon • Eggs • Hash browns • Fresh fruit • Juice, tea, coffee and Milo 	<ul style="list-style-type: none"> • Cake and biscuits • Sandwiches • Fresh fruit • Juice, tea, coffee and Milo 	<ul style="list-style-type: none"> • Creamy chicken, bacon and mushroom vol-au-vent • Braised steak in red wine sauce • Rolled roast pork leg with caramelised apple sauce

FAQ'S

Do you have nurses on your team?

We have registered nurses on staff 24 hours a day, 7 days a week.

What about my laundry?

We launder all linen and all personal clothing on site and have a dedicated team of housekeeping staff who take pride in making sure you and your home are always presented in the best way possible.

Do you have specific visiting hours?

Not at all. We welcome and encourage your family and friends to visit whenever they can. Even if it is late at night. We have staff on hand 24 hours a day.

You are welcome to have visitors in your room or we have many comfortable and welcoming indoor and outdoor areas for you to sit and visit with them.

Do you have a hairdresser on site?

Yes. We offer hairdressing and beauty services at each facility (charges apply).

How can I get my medications?

We have an ongoing pharmacy service that can deliver your medications and prescriptions directly to you at the facility.

Do you offer church services?

We are all inclusive and supportive of any belief system. At each facility we hold weekly and monthly church meetings for a variety of denominations.

Can I leave the facility whenever I want to?

Of course. Providing you see a staff member to let them know where you are going we encourage you to move around as freely as you would if you were living at your own home.
